

INTERWOOD
YOUR WORLD. OUR PASSION

LIVING IN A
TASTEFUL WORLD

MADE WITH GOODNESS

- A KITCHEN IS A PLACE FILLED WITH THE GOODNESS OF POSITIVE VIBES AND HAPPINESS.

Haven't we all heard the old saying, food is the way to a man's heart? But honestly, good food is the key to get all family members to dine in one place. An organized and impressive functionality of a kitchen fills your heart with ease and comfort. The spacious and well-designed kitchen brings you and your family together. A perfect place not just to cook but also to cherish happy moments. Not only that, but Interwood Wardrobes are also crafted for the love of organized living and are a pleasure to look at.

Flawlessly devised wardrobes add on to the charm of your living space. Wardrobes designed with a blend of pragmatism, functionality, and aesthetics that enlivens not just your interiors but also your heart.

Established nearly three decades ago, Interwood has specialized in creating a wide range of furniture that accentuates the living ambience in today's homes. Backed by state-of-the-art German technology, our offering includes kitchens, wardrobes, bedroom sets and living & dining systems incorporating the most modern of materials and manufacturing techniques while reflecting contemporary design. Utmost care and commitment to quality across the product lifecycle ensures each unit is a carefully designed work of art crafted with an in-built assurance of durability and aesthetics.

Interwood has carried forward a legacy of stylistic details and intelligent craftsmanship along with our promise of quality, services, creativity & innovation. Discover our history...

COME, CELEBRATE YOUR JOURNEY WITH INTERWOOD AND THE PEOPLE YOU LOVE.

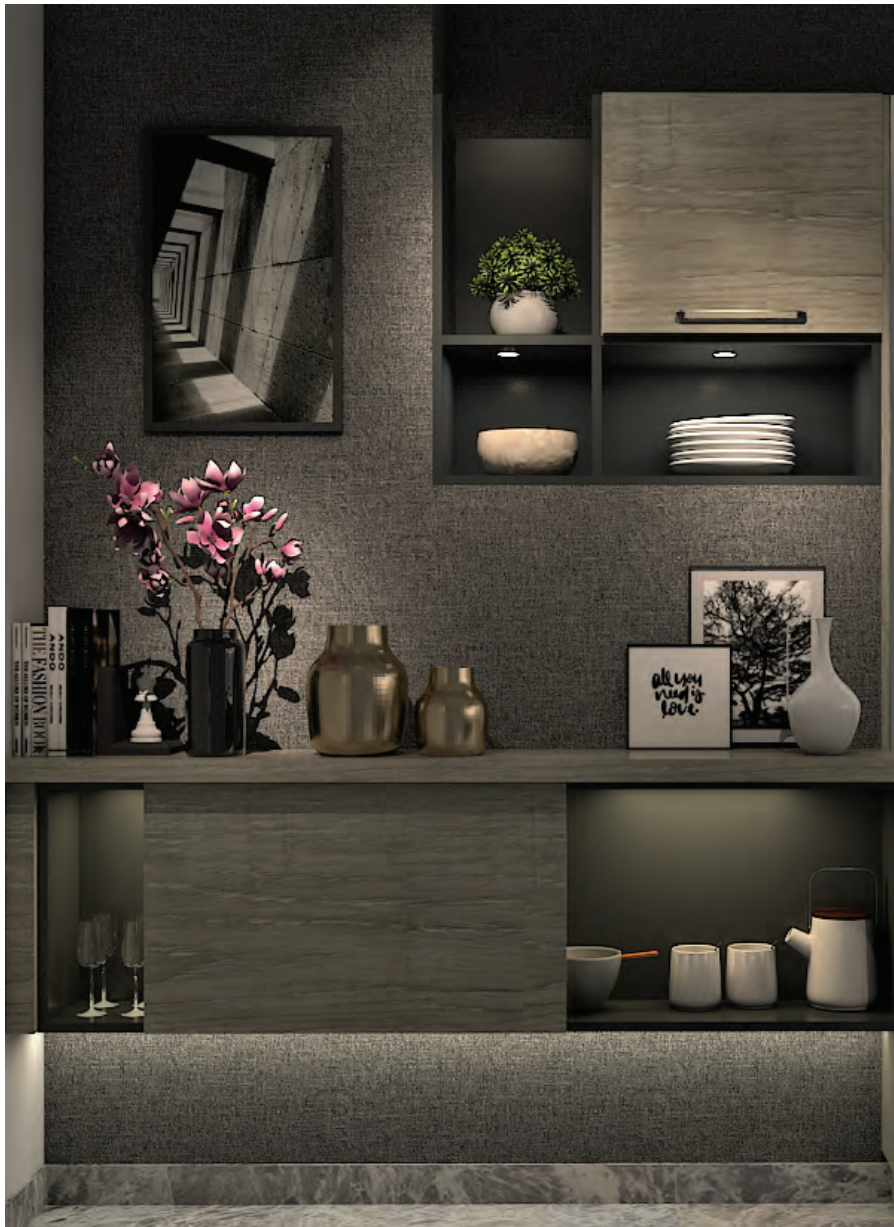

"My first kitchen cabinet made in 1989 and used by my customer for 23 years."
